APPG AIDS Parliamentary Update

Next meeting date:

24th April 2007. 5.00 pm – 7.00 pm, Committee Room 7, House of Commons.

DOING IT DIFFERENTLY:

The first five years of the Global Fund to fight AIDS, TB and Malaria.

Speaker: Professor Sir Richard Feachem, former Executive Director of the Global Fund.

The meeting will not focus on the three diseases but will more broadly look at development and models for development finance.

Use St. Stephen's Entrance to Parliament and ask the attendants how to get to Committee Corridor. Remember to allow time to pass through security.

We are currently finalising dates for meetings in May and June and will send out invitations when all details are in place. The details of upcoming meetings will also be published on the aidsportal.

Recent Parliamentary Select Committee Reports:

The Joint Committee on Human Rights has published their tenth report in the 2006-2007 session: "The Treatment of Asylum Seekers". Reference to Asylum seekers living with HIV/AIDS is made.
